

Berson Antadaya began his career with many recognized CPA firms in Jakarta over numerous years. He has considerable experience in auditing, accounting, taxation and financial planning with various large groups of private companies, foreign investment companies and public listed companies in Indonesia.

In 2012 Berson joined KAP Budiman, Wawan, Pamudji & Rekan as Assurance Partner and at the end of his service acted as Assurance Managing Partner of the firm before resigning in October 2018.

On November 2018, along with two colleagues (Mr. Helmiansyah and Mr. Yassirli) Berson established KAP Antadaya, Helmiansyah & Yassirli.

KAP Antadaya, Helmiansyah & Yassirli is a public accounting firm providing assurance and non–assurance services, accounting, taxation, financial planning, and other related areas.

The KAP Antadaya, Helmiansyah & Yassirli staff and partners have more than 20 years experience of working for a great variety of businesses. Berson acts as Assurance Managing Partner.

Berson joined EAI International in early of 2012.

Making connections is critical and joining EAI International as an Independent Member has provided countless opportunities to connect on a global level.

For KAP Antadaya, Helmiansyah & Yassirli creating professional relationships is important, and joining a group of professional organisations provides a sense of security and trust in business and the ability to support and help one another.

Berson is an Indonesian Certified Public Accountant and he holds a practicing license issued by Finance Minister of Republic of Indonesia and is registered in Indonesian by the Financial Services Authority.

Berson is member of the Indonesian Institute of Certified Public Accountants and the Indonesian Institute of Accountants as well.
